Dear Melissa Cooper:

David Herskovits suggested to me that you might be interested in the enclosed play, THE MOMENTS OF THE WANDERING JEW. (I think David may already have phoned you about this.)

THE MOMENTS OF THE WANDERING JEW has had developmental work--staged readings and workshops--at the McCarter Theater in Princeton and at The Theatre of the Open Eye in New York.

If you would like to talk further about this script, please give me a call at one of the two numbers below.

Sincerely yours,

David Cole
