Dear Jim,

Here are the scripts of mine you asked to see. Perhaps we can get together and talk about them when you're back east for a while. (Susan and I are in New York most weekends.)

I'm touched by your interest in my work and I look forward to hearing your reactions.

Best,

P.S. Thanks for putting me onto Continental Stagescraft. It is indeed a "missing link"--and how moving that it should be dedicated "to the American playwright."
